Ref: Patent Application Number 07/754,465  
Art Unit 3304 - Filing Date 09/03/91

Dear Ms. Harrison,

Reference is made to your communication dated April 29, 1992, and to our telephone conversation in connection with the subject patent application. The undersigned, NABIL N. GHALY, hereby requests that said patent application be amended as follows:

FIRST: Please change the title of the invention from "RAINBOWX" to the new title "ELECTRONIC HAND HELD LOGIC GAME". Said title appears on the following pages of the patent application: "1", "4", "5", "28" and "29".

SECOND: Please rewrite claim numbered "1" as follows:

- a<sup>1</sup>
1. An electronic game device comprising:
    - a. a [box] housing for the device,
    - b. means for generating a plurality of codes hereinafter referred to as operating codes,
    - c. plurality of entry control means,
    - d. plurality of routing means defining a respective plurality of playing positions on the surface of said [box] housing, each of said routing means being actuable by said entry control means to route said operating codes within the device,
